Your annual or monthly pledge is essential to the Foundation's work preserving endangered shamanic knowledge and helping to bring this transformative healing and problem-solving practice to contemporary society—as well as fostering essential long term planning crucial to sustaining the Foundation's work. You may choose the fund you wish to support or select "ALL" funds and your donation can be used immediately where it will do the most good. (For details about the Funds, visit [www.shamanism.org](http://www.shamanism.org) and click "DONATE.")

Your participation makes our work possible—our heartfelt thanks!
